Caution Signs At Dangerous Corner

In the interests of safety, a white approach strip and a stop guide strip will be painted at the intersection of Riverside-Redondo boulevard and Prairie avenue, for traffic approaching from the north. This was the recommendation of the board of supervisors this week, in complying with the request of the county traffic signs committee. Complaint about the hazard at this intersection has been made, but the traffic signs committee agreed that reflector stop signs on Prairie at its approach to Riverside-Redondo were sufficient and correct protection.

Ambitious Thief
STOCKTON, Calif. (U.P.)—Police are looking for a telephone line or a newly erected circus tent. Someone stole nine telephone poles from a company here.

Service Clubs Hold Meeting at Hollywood Bowl

Kiwanis International Invites All Southern California Clubs

Service club history will be made Monday, June 26, when that evening in the Hollywood Bowl members and friends of all service clubs of Southern California accept the invitation of Kiwanis International.

This all service club affair will be unique in the annals of service clubs. Kiwanis is the host of the occasion and will welcome its special guests from other clubs with their families and friends. No admission card is necessary.

Here at this home of the "Symphonies Under the Stars" a large group of guests will listen to short addresses by the president of Kiwanis International, Carl E. Endicott, of Huntington, Indiana, and by the famous wit and philosopher, Roe Fulkerson.

P. T. A. Benefit Show Profitable

While not all parties who were responsible for tickets to the P. T. A. benefit athletic show have reported on their sales, Mrs. J. O. Bishop, president of the Torrance P. T. A., says that the local group will realize about \$50 or more from the event. A large crowd visited the city park Tuesday evening to watch the events in which many stars of state, national and Olympic fame took part.

Moths Like Perfume
WENATCHEE, Wash. (U.P.)—Perfume is being used effectively here in a preparation which kills codling moths. Phillip R. Linville reports catching 8000 moths in 700 traps, baited partly with perfume.

County Ordinance Prohibits Sale or Use of Fireworks

Captain Frank Laski of the Lomita fire department, calls attention of the people of Lomita to the county ordinance prohibiting the sale, possession or use of fireworks in the unincorporated area of the county.

The ordinance lists the kind of fireworks which can not be sold or used in the area and the list covers everything in the way of explosive materials with the exception of paper cap torpedoes.

Exception is made as to sale for delivery to points outside the unincorporated area and as to the use of fireworks by persons, firms, corporations, or associations under a permit obtained from the proper authorities, which makes it possible for a civic organization to sponsor a public display.

Provisions of the ordinance are enforced by the county fire warden and his deputies, and Captain Laski reminds the people of Lomita, now that the Fourth of July is rapidly approaching, that they must observe the laws.

Reroute Motor Bus Line Thru Torrance

Rerouting of the motor coach line between South Lomita and Redondo Beach in order that it may more adequately serve Torrance was authorized this week by the state railroad commission, at the request of the Pacific Greyhound Lines, Inc.

Slash Your TAX BILL

Property Taxation in California Has Passed All Reason!

In many instances it has become tax confiscation; throttled and stagnated business, aggravated unemployment and caused thousands of evictions from farms and homes.
More than 12% of all taxes in California today are delinquent!
Proposition No. 1 at Tuesday's election will put an end to this "rack and ruin" policy of exorbitant and unequal taxation. It will assure you of aid—

20% Reduction In Your Tax Burden!
Proposition No. 1 effects this huge saving by taking \$38,000,000 in school costs from the shoulders of local taxpayers, and by the requirements that the state finance this expenditure through some other means than the property tax.
And in addition to this immediate saving, Proposition No. 1, when it becomes fully operative in January 1935, will return all utility property to the local tax rolls bringing another reduction of 15% in your property taxes!
Finally, as a safeguard against extravagance and a guarantee that your tax relief shall be PERMANENT RELIEF, Proposition No. 1 limits increases in local expenditures to not more than 5% in any one year and state expenditures not more than 5% in two years!

If You Want a Square Deal In Taxation
